ANNUAL REPORT OF THE OFFICERS

**OF THE TOWN OF
DORCHESTER, N.H.**

**Year Ended
December 31, 2003**

DEDICATED TO THE MEMORY OF
Walter H. Morgan
1916 ~ 2003

**A tireless and dedicated worker to
the Town of Dorchester**

Treasurer: 1990 - 1999
Dorchester Planning Board
Mascoma School District Budget Committee

Selectmen's Report

The Dorchester Board of Selectmen have been extremely busy this year, working far and beyond the normal scope of the office. A great deal was accomplished during 2003, but just as we were able to lay one issue to rest a new more complicated one arose.

Faced with the termination of emergency fire dispatch service for that portion of Dorchester which falls within the (786) telephone exchange, the Selectmen have attended numerous meetings to explore a variety of solutions, without suffering an interruption of service. To date, no permanent solution has been arrived at. We continue to work with our District 17 Legislative Delegation, NH Emergency Management, Hanover Dispatch, Canaan Fire Department, the Town of Canaan, the Town of Rumney and Lakes Region Mutual Fire Aide Dispatch Center in our on-going attempt to provide cost effective dispatching service for the Rumney Fire Department to the northeast corner of Dorchester.

In an effort to align school district representation and legislative representation with court jurisdiction, the Selectmen effected the transfer from the Plymouth Court District to the Lebanon Court District, which required the drafting of legislation to be considered by the NH House of Representatives. Our District 17 Representatives agreed to sponsor the appropriate legislation. The Selectmen journeyed to Concord in early December to testify at the Hearings and the change became effective in January 2004.

In preparation for the State mandated Assessment Review slated for 2004, the Selectmen reviewed bids for a complete town wide revaluation of property scheduled for the spring of 2004. The decision was made to contract with the company of Earls, Nieder and Perkins, who has conducted Dorchester's annual assessment "pick-ups" for many years.

The Selectmen were forced to deal with the classification of Town roads in the fall of 2003, as they began receiving complaints regarding the public being denied the use of roads historically traveled without impediment. Although guiding

legislation is being considered at the State level, the Selectmen have adopted the following policy regarding Town roads:

All municipal highways within the Town of Dorchester, other than Class IV and V, which the town has the duty to maintain regularly (RSA 229:5), and those completely discontinued in accordance with (RSA 231:43) are classified as Class VI municipal highways.

Class VI highways includes all local highways discontinued subject to gates and bars, and all highways that have not been maintained and repaired by the town in suitable condition for travel for 5 successive years or more (RSA 229:5, VII). Class VI highways are full public highways in every sense except maintenance. Even though these roads may be "subject to gates and bars", the public is fully entitled to vlastic use and is fully subject to the municipality's authority to regulate. The public's right to use of the road once acquired by prescription, can't be lost by prescription (RSA 236:30)

The complete discontinuance of a local highway (Class IV, V, or VI) takes a vote of the legislative body (RSA 231:43). Furthermore, the burden is upon the party who asserts discontinuance to prove it by clear and satisfactory evidence.

The Selectmen, as enforcing agents for Dorchester's Land Use Regulations, have spent countless hours making sure that "set-backs" and other regulations are met before a Building Permit is issued. Building Permits were historically a courtesy notification, however, new and more stringent requirements at the State level require that State requirements be met before modifications may begin, and the only way for the town officials to assure adherence to these mandates and those of our own Land Use Regulations is through Building Permits for any and all structures. Building permits cost nothing, so before you undergo any alterations or additions to your property, please

contact us for a Building Permit application.

The Board of Selectmen were finally able to officially close out the replacement of Bridge #132/166 lost to an ice jam on April 13, 2001 with a town road. Although reimbursement from the State for 80% of the cost of project was eventually secured this year, the initial capital outlay plus the remaining 20% came from the Road Budget, causing necessary maintenance of Town roads to be shelved. We have determined that a Road Bond is the most cost effective way to implement a comprehensive and proactive road repair program.

The Town has leased a Dell desk top and lap top computer system which allows the town to access and download many State and Federal forms. With the eventual purchase of suitable soft ware, this new system will allow the Tax Collector to maintain all property tax information.

Finally, the Selectmen are undertaking a Federally required Emergency Needs Assessment, with the aid of N.H. Emergency Management. This assessment is relative to Dorchester's eligibility for Homeland Security funds and grants.

In closing, we wish to thank Road Agent, George C. Conkey II and employee Clarence Poitras for providing a mandated handicapped accessible voting booth on extremely short notice. Their efforts resulted in a comment from Grafton County Sheriff's Department inspectors; that Dorchester's polling place was one of a very few in Grafton County who met the conditions of the legislative mandate for the January 27 Primary Election.

Selectmen's Meetings for

2004

January 1, 15 & 29

February 12 & 26

March 11 & 25

April 8 & 22

May 6 & 20

June 3 & 17

July 1, 15 & 29

August 12 & 26

September 9 & 23

October 7 & 21

November 4 & 18

December 2, 16 & 30

Meetings are held at the Town Office at 6:30 p.m.

Selectmen are generally ready to meet with the
public by 7:00 p.m.

State Police (F-Troop) 1-271-1170

Grafton County Sheriff's Dept. 1-800-552-0393

TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Dorchester in the County of Grafton in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Dorchester on Tuesday, the 9th day of March 2004, polls to be open for voting on Article 1 at 11 o'clock in the forenoon, and to close not earlier than 7 o'clock in the afternoon, with action on the remaining articles to be taken commencing at 10 o'clock in the forenoon on Saturday, March 13, 2004.

1. To choose by nonpartisan ballot all necessary Town officers for the ensuing year.
2. To see if the Town will vote to raise and appropriate the sum of \$300,000 (three hundred thousand dollars) for the purpose of rebuilding and paving North Dorchester Road and a portion of Bickford Woods Road; and to authorize the issuance of not more than \$300,000 (three hundred thousand dollars) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon.
Principal and Interest payments to come from Highway Block Grant Funds over the next 15 years.
(2/3 ballot vote required)

Recommended by the Selectmen

3. To see if the Town will vote to raise and appropriate the sum of forty thousand dollars (\$40,000) for a complete property tax revaluation and authorize the withdrawal of Thirty-Seven Thousand dollar (\$37,000) from the Capital Reserve Fund created for that purpose. The balance of three thousand dollars (\$3,000) is to come from general taxation.

4. To see if the Town will vote to raise and appropriate the sum of forty thousand dollars (\$40,000) for the purpose of replacing the roof over the kitchen portion of the Town Hall, to upgrade the electrical service and replace the heating system of the Town Hall and to authorize the withdrawal of forty thousand dollars (\$40,000) from the Capital Reserve Fund created for that purpose.
5. To see if the Town will vote to raise and appropriate the sum of \$3,000 (three thousand dollars) to support a regional center in Canaan for the adult day care of elderly and handicapped persons. The center will be staffed by professionals and be maintained by the Primary Caregivers to serve all of the communities within the Mascoma School District.
6. To see if the Town will vote to designate the Board of Selectmen as agents to expend from the Bridge Capital Reserve Fund, established at the 1991 Town Meeting. A public hearing must be held by the Selectmen before proceeding with an expenditure.
7. To see if the Town will vote to raise and appropriate the sum of three hundred one thousand, sixty-eight dollars (\$301,068.00), to defray Town charges.
(This excludes the amounts raised in Articles 2, 3, 4, 5)

Recommended by the Selectmen

8. To act upon any other business that may legally come before said meeting.

Given under our hands this 16th day of February 2004

Robert R. Estabrook

Albert John Franz

John A. Cote

Selectmen, Town of Dorchester

AUDITORS' REPORT

We, the undersigned, have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Cemetery Trustees and the Trustees of Trust Funds, and find them correctly and properly vouched.

February 12, 2004

Auditors

Martha L. Walker
Candy A. Lydon

2003 REPORT OF CEMETERY COMMITTEE

The fence was placed around the Dorchester Cemetery where it was needed. The fence was \$558.73 so we had \$41.27 left over. We are hoping to put the same kind of post and rail fence around the new part of the North Dorchester Cemetery in the near future.

Receipts:

Balance January 2003.....	\$363.64
Balance from cemetery fence.....	\$41.27
Bank Interest	\$3.52
Town Appropriation.....	\$1,200.00

TOTAL.....\$1,608.43

Payments:

<i>Dorchester Cemetery</i>	\$726.00
<i>Cheever Cemetery</i>	\$209.00
<i>North Dorchester Cemetery</i>	\$176.00
<i>Town House Cemetery</i>	\$99.00
American Legion Post 76 (flags).....	\$35.00
Bank Service Charge.....	\$15.00
2003 Taxes (Med. & S.S.).....	\$92.57

TOTAL.....\$1,352.57

Balance on Hand January 2004..... \$255.86

Respectfully submitted,
Cemetery Trustees

Edith T. Gray

1908 ~ 2003

**A tireless supporter of
Dorchester and its People**

**Edith Gray served on the
Dorchester School Board
from
1955 ~ 1960**

**ROAD
BOND
INFORMATION**

WHY A BOND ISSUE?

- 1. In the mid-nineteen nineties, promises were made to the North Dorchester residents that efforts were under way to comprehensively address repairs of the Hearse House/Bickford Woods artery, followed by repairs to North Dorchester Road. The Town due to Bridge repair/replacement, storm damage, etc. as well as budget & weather constraints has seriously fallen short on those promises.**
- 2. It will replace one of our most problematic and costly roads with permanent pavement and long-term ease of maintenance.**
- 3. Residents in the North Dorchester part of Town are spending large amounts of money on vehicular repairs directly attributable to road surface conditions.**
- 4. The road in its current condition has resulted in high cost reactive repairs, and barely staying ahead of a complete road surface breakdown further exacerbated by increased usage, weather, heavy vehicles, and poor drainage.**
- 5. The sad truth of the current "leap frog/band aide approach" to road repair is that by the time a short section can be completed from drainage to surface; previous sections have fallen to states of disrepair.**

- 6. It will save money in the long run because longer stretches of road repair cost less per mile than short stretches. The contracting out of repair work should result in faster completion of the work and cost control.**
- 7. Road maintenance funds can be redirected to other long neglected town roads, as it will relieve the highway crew from committing weeks of good summer weather to road building. Unfortunately road building and most maintenance items compete for the same good weather days.**
- 8. Interest rates are very low, making this an ideal time to undertake this project. If we do not invest in these repairs in a comprehensive fashion, the people will continue to commute, the busses and delivery trucks will continue to service that area of town and timber & chip trucks will continue to move their products. The costs of repair will continue to escalate and next year the costs of rebuilding these roads will be just that much higher.**

**BEST OF ALL IT WON'T INCREASE THE TAX
RATE**

The total cost, (principal and interest) will be more than covered by Highway Block Grant funds for the next 15 years.

**BE SURE TO VOTE YES ON
MARCH 13**

Road Agent's Report

Although the Dorchester Road Department suffered a major cut in its budget this year, with the excellent highway equipment provided by the town's people, good things continued to happen to Dorchester's Roads.

- * This year, as part of the Road Sand Project, a screen was brought in to rescreen our remaining sand from previous years which was contaminated by repeated handling. This now usable sand, plus the addition of 1,500 yards of new specification sand from an "in town" source, was stockpiled.
- * Most of the culverts purchased in 2002 at truck load prices have been used to replace deteriorated pipes around town.
- * The decision to retain our Case Backhoe has benefited the town by being able to load and unload materials at the Town Maintenance area while our primary loader has been on "location" This has saved many hours and miles of shuttling equipment while replacing culverts.
- * The Lease of the Multi-Tool Caterpillar Loader Backhoe has proved very cost effective, as this versatile piece of equipment has eliminated the need to rent such equipment as brooms.
- * Problems continue to exist in filling the full-time Road Maintainer position. However I have had the good fortune of being able to hire casual labor from town to fill the void and allow for most necessary projects to be completed.
- * Funds were expended to sandblast and paint our International Truck. The plow, which was not new when the truck was purchased, will need to be replaced before next winter.
- * Selectman Cote and I have continued to attend training sessions which will better equip us to comply with ever changing State and Federal requirements.

- * A cooperative attempt to allow snowmobile use of several sections of Town Road has resulted in much positive feedback and relatively few complaints.
- * Use of highway personnel for other necessary town purposes, such as town buildings, trash removal and supply of information has proven invaluable to the Town.
- * While in town, the services of full sized road grader were secured to prepare some unpaved surfaces for winter; without incurring the usual mobilization costs.
- * Roadside mowing was accomplished on most Town roads, taking advantage of a cutback in State Highway Department mowing.
- * The purchase of improved signage on a Town wide basis has continued.
- * I have continued to provide in-put, regarding roads, on Planning and Zoning matters.

In closing, the Dorchester Highway Department is here to serve the needs of the people of Dorchester. If you require anything regarding town roads, please call the Highway Garage at 786-2385, and leave a message.

Dorchester

Planning Board 2003

During 2003 the Dorchester Planning Board has continued to meet regularly at the Town Office on the second Wednesday of each month. During these meetings we have reviewed current legislative action which directly effects the enforcement of Dorchester's Subdivision and Land Use Regulations, provided information to land owners regarding subdivision, and facilitated Boundary Adjustments.

In the summer of 2003, the New Hampshire Legislature repealed RSA 674:41 prohibiting the issuance of a Building Permit on a Private Road. As a result, the issuance of a Building Permit on a Private Road in the Town of Dorchester will require review and comment by the Planning Board, before the Selectmen issue a "Road Release" to be filed by the landowner with the registry of deeds.

Although, no applications for subdivision have been received this year, the Planning Board has been approached for information regarding subdivision of several pieces of property within the Town. Issues of road frontage, ratio of frontage to depth, wetlands, and right-of-ways were addressed by the Planning Board.

We encourage any property owner in the Town of Dorchester to become familiar with Dorchester's Subdivision Regulations when considering subdividing their property.

Early in March the Dorchester Planning Board became actively involved with a subdivision request involving the Town of Wentworth. As an abutting town, Dorchester and its residents stood to be negatively impacted by a major subdivision planned for Cheever Road in the Town of Wentworth. Dorchester Planning Board members attended the Hearing on this subdivision in Wentworth. With roads and services being the main concern of both Boards, we shared strategies for dealing with subdivisions of this type with the Wentworth Planning Board. It was a relief to know that no such subdivision would ever be approved in Dorchester, but a concern that, because of less stringent Subdivision Regulations in abutting towns, Dorchester's roads could be negatively impacted.

The Planning Board facilitated a Boundary Adjustment in August. Boundary Adjustments allow property owners to acquire land from their abutting neighbors without going through the formal subdivision process. However, updated surveys showing accurate mete and bounds, as well, as the proposed boundary adjustment are required. A deed restriction is also required; merging the two parcels into one and will from then on be considered as one and cannot be subdivided without making proper application.

In closing, the Planning Board encourages the landowners of Dorchester to become familiar with Dorchester's Land Use Regulations. If you have any questions regarding either the Subdivision Regulations or the Land Use Regulations do not hesitate to contact any member of the Planning Board.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wild land fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing **ANY** outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your local Fire Department or the New Hampshire Division of Forests and Lands at www.nhdfil.com or call 271-2217 for wild land fire safety information.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!

Community Contact provides these and other necessary services for the less fortunate citizens in your town and surrounding vicinities.

VISITING NURSE ALLIANCE OF VERMONT AND NEW HAMPSHIRE, INC.

Home Care, Hospice and Family Health Services Report to the Town of Dorchester

Your Visiting Nurse Alliance is like the local police and fire departments - a strategic part of the community's safety net -- with services that must be continuously available to anyone in need. The need varies dramatically from month to month and year to year. The VNA provides a comprehensive range of care, requisitioned by hospital staff and physicians, for everyone, regardless of ability to pay.

We value the continued partnership with the Town of Dorchester to help us meet your residents' home care, hospice and family health needs. Town funding accomplishes the following:

- * Enables your family, friends and neighbors to remain independent and at home as they receive skilled clinical care during times of injury, recovery from surgery or accidents, disability, whether for short-term and chronic illness. For many such patients, many are addressing multiple medical, emotional and social issues at the same time.
- * Provides emotional support plus pain and symptom management during terminal illness. Hospice care extends to family members as well. More and more patients want to be at home during their end of life, and through hospice they have that control.
- * Provides community-wellness programs and assistance to young families at risk. Clients range from fathers and/or mothers who want to be more effective parents through learning parenting skills or providing a balanced diet; infants who require hi-tech health care; and children who grow and learn through play groups that offer interaction with other children.

The Visiting Nurse Alliance provided the following services this past year:

Visits (July 1, 2002 through June 30, 2003)

	<i>Family Support Services</i>
Skilled Nursing.....	42
Physical Therapy.....	6
Medical Social Worker.....	1
Home Health Aide.....	276
Homemaker.....	<u>100</u>

VOICES AGAINST VIOLENCE

**P.O. Box 53
258 Highland Street
Plymouth, N.H. 03264
Crises Line (603) 536-1659
Office: (603) 536-3423**

Since joining Voices Against Violence in August, I have been continually amazed by the variety of services the agency provides and by the degree of professionalism with which the staff and volunteers deliver these services. I have been humbled by the experience of meeting men, women, and children who have endured unspeakable acts of violence and who define strength and resilience just by their being. For over 20 years, Voices has been offering support and encouragement to a full age range of female and male survivors of domestic and sexual violence and their families in Dorchester and seventeen other Grafton County towns through:

- * 24-hour crisis line;
- * confidential emergency shelter and food for women and their children
- * emergency transportation;
- * hospital, court, and police accompaniment
- * assistance with temporary and permanent restraining orders
- * legal, social service, and housing advocacy
- * support groups for adults
- * education programs for elementary, secondary, and post-secondary schools

Through these services, Voices had 2,059 contacts with 321 clients in our fiscal year 2003; 45 of these contacts were with 8 females and males from Dorchester. In the first six months of our fiscal year 2004, Voices has had 6 contacts with 1 victim from Dorchester. While these numbers represent persons assisted through a combination of all of the services listed above, we provided on-going, intensive support to 19 women and their 15 children who stayed in our shelter for a total of 2,078 bed nights, an increase of 15% over fiscal year 2002. In the first six months of our fiscal year 2004, 11 women and their 11 children have been sheltered

858 bed nights. For safety reasons, we do not often provide extended shelter stays for residents from our immediate area. This does not mean that women and children from our area are not experiencing violence; it means that our energy with them is focused on providing the support and assistance necessary to secure them a safe location.

While much of our energy is focused on providing this type of direct service, Voices is continually developing preventative models to stop the spread of violence in communities before it reaches a crisis stage. One step in that process is to maintain ongoing communication and collaborative programming with other social service agencies, law enforcement, medical personnel, the education and faith communities, area businesses, civic organizations, and others to assist community members of all ages in recognizing and developing the tools and skills necessary to avoid and limit crisis situations.

As part of this commitment to ending violence in our communities, Voices has enhanced our public outreach efforts, resulting in presentations to 2,31 area school students and community members during our fiscal year 2003. these presentations teach students about respecting self and others, maintaining healthy boundaries, stopping bullying and teasing, as well as offer information on the prevalence and cost of domestic and sexual violence to society.

Respectfully submitted,
Jay Olmstead
Executive Director

SENIOR CITIZENS COUNCIL

Grafton County

P.O. Box 433

Lebanon, NH 03766-0433

2003 ANNUAL REPORT

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln, the information and assistance program Grafton County ServiceLink and also sponsors the Retired and Senior Volunteer Program of the Upper Valley and White Mountains (RSVP). Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, congregate dining programs, transportation, adult day care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2003, **10** older residents of Dorchester were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center or the Mascoma Area Senior Center:

- * Older adults from Dorchester enjoyed **285** balanced meals in the company of friends in the center's dining room.
- * They received **39** hot, nourishing meals delivered to their homes by caring volunteers.
- * Dorchester residents were transported to health care providers or other community resources on **22** occasions by our lift-equipped buses.
- * They received assistance with problems, crises or issues of long-term care through **14** visits by a trained social worker.
- * Dorchester's citizens also volunteered to put their talents and skills to work for a better community through **247.5** hours of volunteer service

The cost to provide Council services for Dorchester residents in 2003 was **\$2,504.32.**

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars which would otherwise be expended for nursing home care. They also contribute to a higher quality of life for our older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Dorchester's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

E-mail: ray.burton4@gte.net**

It is a pleasure to report to you now in my 25th year of serving the 98 towns, 4 cities and Coos, Carroll, Grafton, Sullivan and Belknap counties of New Hampshire. All together there are 249,00 people who I consider my customers, clients and constituents. It has always been a pleasure to respond, as my duties within the Executive Branch of your state government mandate, to inquiries for information, relief and assistance as provided in NH state law and budget. It is an honor to serve you as a public servant.

Below are listed several documents that are available to citizens and I find them to be a valuable NH resource.

The 2003-2004 state telephone directory of state departments and personnel. This 180 page directory includes TDD access numbers, office information, coordinators, map of location of state buildings, legislative listings, judicial branch listings, department listings, personnel listing and a topical listing. This is available for a cost of \$6.00 plus \$2.50 postage. Make checks payable to the State of New Hampshire , or order on line at:
www.gencourt.state.nh.us/visitorcenter. The entire directory is available at <http://www.state.nh.us/government/agencies.html>

The 2003-04 NH County Directory of all NH County officials is free and available by calling (603) 224-9222. This is also on the web at www.nhcounties.org

Also available at no cost from the Secretary of State Office at 271-3242 or at elections@sos.state.nh.us, or mail at Secretary of State, State House Room 204, Concord, NH

03301 are the following publications:

The NH Election Procedural Manual for 2004-2005

The NH Election Laws for 2004-2005

The NH Political calendar for 2004-2005

The duties of the NH Executive Council, The NH Tour Guide book, the official tourist map and the NH Constitution are always available from my office at 271-3632 or 747-3662 or ray.burton4@gte.net

As long as I'm around as one of your elected officials never ever feel you are alone in your hour of need. Contact me anytime!!

Sincerely yours,
Raymond S. Burton
Executive Councilor

West Central Behavioral Health

Dartmouth-Hitchcock

2 Whipple Place

Lebanon, NH 03766

Phone: (603) 448-0126 ~ Toll Free (800) 540-0126

Mental health is a cornerstone for every community. This essential community service helps prevent and reduce many of the most troubling problems a community can face: addiction, violence, suicide, unemployment, child abuse, domestic violence, and homelessness.

When left untreated, depression, addiction, and chronic mental illnesses can have tragic consequences. Thankfully, research has given us medicines and treatments that reduce symptoms and promote recovery. With your support, West Central Behavioral Health will provide essential care to residents of the Town of Dorchester who lack insurance and are unable to afford proper care.

Your support also strengthens our ability to provide critical emergency services for the Town of Dorchester. In the event of disaster, crisis, or tragedy, West Central Behavioral Health is prepared to respond to any location: schools businesses, parks or landmarks. Our counselors are trained in critical incident debriefing, emergency intervention and post incident counseling for survivors, friends, family members, and first responders.

Although treating illness and responding in the event of emergency are critical, so is prevention and education. West Central Behavioral Health is stepping up its ability to educate the community about illness and wellness--to improve the overall health and productivity of Dorchester.

We are honored and pleased to have the Town of Dorchester joining us in our effort to protect and preserve the mental health of Dorchester. We urge you to contact us with any needs or suggestions on how we can work together to improve access, quality and outcomes of community mental health care in Dorchester.

Jesse D. Turner, Ph.D.

President/Chief Executive Officer
